

# **THE MESSAGE OF THE MADONNA OF FATIMA**

**Given to Lucy on the 13th of October 1917**

The Holy Virgin Mary appeared in Fatima (Portugal) 6 successive times between May 13, 1917 and October 13, 1917 to three shepherds, Lucy dos Santos (11 years old), and her cousins Giacinta (8 years old) and Francesco (11 years old). The Virgin Marie revealed them three secrets, of which the first concerns a vision of hell and the second the consecration of Russia to Mary's Immaculate Heart. Mary's message in Fatima also contained a third secret. This secret concerns the identity of the Antichrist which appeared in Palestine in 1948. In 1960 the Popes should have revealed this secret of Fatima, thus unmasking the identity of the Antichrist.

But, starting with John XXIII, they all failed this sacred duty, by fear of this powerful Antichrist.

This identity was revealed by Christ Himself to a priest on May 13, 1970. Having appeared to him at dawn, Jesus tells him: "Today, is May 13, commemorative day of Our Mother's apparition in Fatima. Open the chapter 13 of the Book of Revelation (Apocalypse): The Beast is Israel!".

This light illuminates the whole apocalyptic message as well as the secret of Fatima and Mary's message in The Salette.

To really understand the Virgin's two messages, all comes down to the revelation of the identity of the Antichrist, this Beast of the Book of Revelation (Apocalypse). Since 1960 this is what the Popes omitted to reveal, by fear of being accused of anti-Semitism. Because it is about the State of Israel! This Zionist State, stubbornly opposed to the Christ Jesus, proclaims and still awaits another politico-military christ whose fanatic and "expansionist" spirit is completely against the universalist divine and apolitical Spirit of Jesus of Nazareth. Nothing, therefore to do, with anti-Semitism since a good number of Jews are converted to Christianity and denounce the State of Israel.

One understands thus the real reasons which constrained the popes John XXIII, Paul VI and Jean-Paul II to this mysterious and unjustifiable silence concerning the secret of Fatima which reveals the identity of the Antichrist as well as the bankruptcy of the Vatican. If they had not failed this sacred duty by their muteness, or even by their complicity, the Popes would have saved millions of souls... as well as their own.

As for Karol Wojtila, he seriously lied in revealing a pseudo-secret. Here we present to you the indisputable argument of his lie. He had said in the year 2000 that the secret of Fatima concerned the attempt against his person on May 13, 1981. However, our Mother had asked that the secret of Fatima be revealed in 1960 "so that it can be understood." If it had been revealed at this date, in 1960, it CERTAINLY would not have been a question of a future event, taking place 21 years later and no one would have understood it. It is CERTAINLY about an event ANTERIOR to 1960 to be understood in 1960, and not of a posterior event to 1960. This event took place in 1948 in Palestine: The official proclamation of the State of Israel!!!

### **Sister Lucy speaks about the Message in 1958**

The following text was transmitted by Lucy on May 22, 1958 to the reverend Father Agostino Fuentes who was applying for the beatification of Francesco and Giacinta of Fatima :

"Father, the Madonna is very unhappy because we didn't care about her message in 1917. Neither the good ones, nor the bad ones took it into consideration.

"The good ones go in their path without worrying. They don't follow the heavenly norms. The evil ones go astray in the large way of perdition, taking no account of the punishments with which I threaten them.

Believe me, Father; the Lord will punish the world very soon. The punishment is imminent, soon the material punishment. Imagine, Father, how many souls will go to hell!

And this will happen because we don't pray and we don't repent.

This is the reason of our Mother's sadness. Father, it is necessary to inform everyone that the Madonna told me several times: many nations will disappear from the face of the earth. The **Nations without God** will be the whip chosen by God himself to castigate the humanity if we don't get, by means of the prayer and sacraments, the Grace of their conversion.

Father, say it, say that Satan is engaging the decisive battle against the Madonna, and that what afflicts the Immaculate Hearts of Mary and Jesus is the fall of the religious and ministerial souls. They (the devils) know that the religious men and the priests, by abandoning their vocation, drag a lot of souls into hell. We hardly have the time to stop the punishment of Heaven. We have at our disposal two very efficient means: prayer and sacrifice.

Satan does everything to distract us and to deprive us from the taste of praying. We shall save ourselves or damn ourselves together.

Nevertheless, Father, we must tell people not to wait from the Pope a call to penitence and to prayer, nor from the bishops or the priests, nor from the superiors in general. **It is time that each person, by one's own initiative**, accomplishes holy deeds and reforms his (her) life according to the Madonna's demand!

(Second part of the message).

Satan wants to be master of the souls dedicated to God; he strives to corrupt them to lead the others to the final impenitence. He uses all tricks, even suggesting to postpone the religious spiritual life... From this results the sterility of the spiritual life and its coldness in the seminaries, where they gave up the joy of the total offering of oneself to God.

It is necessary to say, Father, that two things sanctified Jacinta and Francesco: the affliction of the Madonna and the vision of hell...

The Madonna is found as between two swords: on one side, she sees the obstinate and indifferent humanity facing the punishments that threaten, and on the other side she sees

us trampling on the Sacraments and depreciating the punishment that approaches, while remaining unbelievers, sensual and materialistic.

The Madonna said expressly: "We approach the end of times."

She repeated it to me **three times**:

a) The first time, she affirmed that Satan engaged a decisive struggle, which means a final one, from which we shall come out either victorious or losers.

b) The second time, she repeated to me that the ultimate remedies given to the world are: the Holy Rosary and the devotion to Mary's Immaculate Heart. "Last remedies" means that there won't be others.

c) The third time, she told me that, having exhausted the other means despised by men, she gives us, while trembling, the last means of salvation: namely the very holy Virgin Herself, with tears and messages of various seers throughout the world. The Madonna says that if we don't listen and that we offend again, we won't be forgiven anymore.

Father, told me Lucy, it is urgent that we realize the terrifying reality. We don't want to put fear in the souls, it is just an urgent call to the reality.

Since the very holy Virgin gave a big efficiency to the holy Rosary, there is no material or spiritual, national or international problem that she cannot solve with the holy Rosary and with our sacrifices. To recite it with love and devotion will console Mary and wipe away the numerous tears of Her Immaculate Heart."

NB: For the above interview, the priest A. Fuentes obtained the permission of the Pope Pius X.

### **Distressing Warnings**

The famous 'third secret of Fatima' was (partially) published in the newspaper 'Neues Europa' of Stoccarde on October 15th, 1963, under the title 'The future of humanity' signed by L. Einrich.

The article presented only **an "excerpt"** of the secret of Fatima, while we expected its **whole** disclosure in 1960. The document, revealed by a diplomatic indiscretion, would have been sent as an information from the Vatican's authorities to those of Washington, London and Moscow, keeping it necessary, even indispensable for the treaty on the cessation of the nuclear tests. The authenticity of such a document has never been denied by the Vatican.

### **The article of 'Neues Europa'**

On October 13th, 1917, after a series of apparitions, the holy Virgin appeared a last time to the children of Fatima, Lucia, Jacinta and Francesco. After the event of the 'miracle of the sun', the Mother of God revealed to Lucia a special message which, amongst other, said:

"Don't worry, dear child, I am the Mother of God who speaks to you and asks you to proclaim in my Name the following message to the whole world:

By doing so, you will attract many hostilities. Listen and keep well what I tell you:

Men must become better. They must implore the remission of the sins that they committed and that they will continue to commit; let them pray the Rosary... There is no personal, familial, national or international problem which I can not solve if one asks me by the Rosary.

You want me to give you a miraculous sign, so that every one will understand my words, which I say through you to mankind. You have just seen this miracle right now. It was the miracle of the Sun! All have seen it, believers and non-believers, farmers and city dwellers, scientists and reporters, laymen and clergymen. And now proclaim in My Name:

Upon all humanity a big punishment will come, not today, nor even tomorrow, but in the second half of the XXth century.

What I said at la Salette through the children Melanie and Maximin, I repeat it today before you:

Humanity has been sacrilegious and it tramples the Gift it received.

Order rules nowhere. It is Satan who rules, even in the highest positions, establishing and deciding the course of events. He will even succeed in reaching up to the top of the Church; he will succeed in spreading confusion in the minds of great scientists who invent weapons with which it will be possible to destroy a great part of humanity in a few minutes. He will submit the powerful leaders to his power and he will incite them to make huge quantities of these weapons. If men don't object to it, I will then be forced to set free My Son's arm.

If those who are at the head of the world and of the Church don't oppose these schemes, it is I who will do so and I will ask God my Father to let his justice fall upon men.

Then God will punish men more toughly and more severely than He punished them by the Flood.

And the great and the powerful will perish as well as the small and the weak.

But also, there will come for the Church a time of the hardest trials. Cardinals will be against cardinals, and bishops against bishops. Satan will get in the midst of their rank.

In Rome also, there will be great changes. Rome will be destroyed. What is rotten falls and what falls must not be maintained. The Church will be darkened and the world sunk in confusion.

The great great war will occur in the second half of the twentieth century ( the world war against Irak started in 1991. It is still going on leading to disastrous international situations).

Russia will be God's whip and, at the end, it will convert. America shouldn't believe itself invulnerable.

Fire and smoke will fall from the sky, and the waters of the oceans will turn into vapor, spitting their foam towards the sky, and all that stands shall crumble down

And millions and other millions of men will die from one hour to the other, and those who are still alive at that moment will envy those who died. There will be tribulations everywhere, wherever one looks, and misery on the entire earth and desolation in all countries.

Here it is, the time is getting nearer and nearer, the abyss is deepening more and more, and there is no way out anymore; the good will die with the bad, the big with the small, the princes of the Church with their flocks, supporters, the kings of the world with their peoples; everywhere death will reign raised to its triumph by men gone astray and by Satan's valets who will be, then, the only sovereigns on earth.

It will be a time that no king nor emperor, no cardinal nor bishop await, and yet it will come according to my Father's intention to punish and to avenge.

Later, however, when those who will survive to all these disastrous events will still be alive, God and his magnificence will again be invoked, and God will again be served, as in the past, when the world was not as corrupt as today.

I call all the true imitators of my Son Jesus Christ, all the true Christians and the Apostles of the End of Times!

The Time of the Times and the End of the Ends is coming if humanity doesn't convert and if this conversion doesn't come from above, from the leaders of the world and the leaders of the Church. But woe, yes, if this conversion doesn't come and if all remains as it is, if all becomes even worse.

Go my child and proclaim it! For this purpose, I will always be at your side to help you".

### **The Text of the Vatican Radio**

"Neither John XXIII, nor Paul VI found it appropriate to reveal the third part of the mystery of Fatima to the world. When it has been published in the newspaper 'Neues Europa' on October 15th, 1963, it has not been confirmed, nor directly denied...

We have the certainty that the third part of the secret contains a particular gravity confirmed by the tragic reality that the whole world is actually living.

Did the End of Times arrive?

Are we living today the Apocalypse prophesied by Saint John?

If the Christians testify with love to the hope in God's mercy, they must also shout with courage the Truth of God's Justice.

We don't have the illusion to be saved. Anyway, the time has come where words are not sufficient anymore. It is necessary to act, and immediately, if we want humanity, each one of us, to see, apart from fire,... Light."

(Text recorded from the Vatican's Radio on May 13th, 1977 at 21h00-23h00)

### **Article in "Vox Fidei"**

When the Pope John Paul II was in Fula during his journey in Germany (15th to 19th November 1980), in the presence of a small group of persons, some questions were asked to him, notably one on the secret of Fatima.

Here is the text which appeared in 'Vox Fidei' No 10 of 1981:

"What is the secret of Fatima that had to be revealed in 1960"?

Answer of the Pope:

"By its impressive content, and in order not to bring the international power of Communism to certain interferences, my predecessors preferred a 'diplomatic attitude' (in relation to the 'secret').

However, it should be sufficient to every Christian to know what follows: we read (in the secret) that the oceans will completely flood some continents, that men will die suddenly between a minute and an other, suddenly and by millions... When one knows this, it is not really urgent to publish this secret.

Many want to know only by curiosity and sensation, but they forget that this knowledge holds with it also the responsibility...They simply want to appease their curiosity. This is dangerous when, in these times, the nonchalance of people makes them think that 'it doesn't serve to anything'! "

The Pope, about this topic, took the Rosary while saying:

Here is the remedy against this pain! Pray, pray and in the future, don't ask any questions anymore. All the rest, recommend it to the Madonna! "

## **THE WHOLE TRUTH ON FATIMA**

### **THE THIRD SECRET**

Extracts of the book in French of Frère Michel de la Sainte Trinité : "Toute la Vérité sur Fatima. Le Troisième secret" (Renaissance Catholique, 10260 Saint-Parres-Les-Vaudes. France).

Introduction:

At the end of an exhaustive investigation, one succeeds in discovering with certainty its content. It is a tragic but salutary Secret of a decisive importance for the faith and the hope of the Catholics of today.

p.8: About Lucy: ... because soon, in 1948, she will be going to bury herself behind the bars of the Carmel...

p.36: Having received the formal order to write the Secret in mid-October, two months later, she had not written it yet. This reveals how much the writing of this text made her tremble. So such so that, taking the pen, she was incapable to write. Indeed, she added... that, several times, she had wanted to obey, that she had sat down to write, without being capable of doing so. This mysterious obstacle was still lasting on December 24th, 1943, when she specified, in a letter to don Garcia, 'that this phenomenon was not due to natural reasons.'

... We must undoubtedly see therein Satan's last raging fury against the messenger of the Immaculate, guessing what terrifying weapon this big prophecy, once fixed the paper, could constitute against his domination on the souls and his pretension to infiltrate up to the very heart of the Church.

p. 39: Otherwise, wrote Father Alonso, how can one understand Lucy's great difficulties in writing this Secret, whereas she had already written other very difficult things? If it had been simply about announcing prophetically new and big cataclysms, we are certain that sister Lucy would not have felt such difficulties which required a special heavenly intervention to be overcome.

P. 271: Why this date of 1960 for the disclosure of the Secret: "Because then it will appear clearer".

p. 273: It was also at this time that sister Lucy was closely watched, a lot more, and nearly reduced to complete silence (1951).

p. 373: According to the cardinal Ottaviani, John XXIII put back the Secret in another envelope, sealed it and deposited it in one of his archives that are like a deep well, black, black, in the bottom of which the papers fall, and no one can see anything anymore...

p. 386: City of the Vatican, February 8th, 1960, Press release of the ANI agency:

- "It is likely that the Secret of Fatima will never be announced publicly."

- The decision of the Vatican's authorities bases itself on the following reasons:

1. Sister Lucy is still alive.

2. The Vatican already knows the content of the letter.

3. Although the church recognizes the apparitions of Fatima, it doesn't want to take the responsibility to guarantee the veracity of the words the three pastors said the Virgin had addressed to them.

P.420: This is the reason why nothing is more important, nothing is more necessary, more urgent, than to make the world know this ultimate Secret, buried in the Vatican, like a captive truth, by the successive popes, since more than a quarter of a century! The Virgin Mary wanted its disclosure in 1960, and sister Lucy, her messenger, keeps on desiring it, asking the authorities urgently for it to be revealed; we know it. Depository of a truth dreaded more than ever, she has been reduced to the strictest silence on this most beneficial message, to the point that it is forbidden for her to make the least allusion about it.

The bishop of Leiria and the chaplains of the sanctuary seem also to have received orders of silence.

p.477: Since then, the question arises: How long will our Pastors choose please the enemies of the Virgin Mary by remaining faithful to the 'directives of the Council' to which they claim to belong - and which led the Church to its ruin - instead of humbly putting their trust in the prophecies of the Queen of Heaven, incontestably contrary to the innovators? How long will they still linger to obey to the so urgent demands of their Mother and Mistress, the Queen of the Apostles, the All Powerful Mediator of graces and mercy for the Church and for the world?

p.533: "It has been given to our century to see once more this marvelous Sign. This Lady appeared in the sky of Fatima, it is obviously the same Woman of the vision of Patmos. To be thus committed by the events of our human history in the times of the Apocalypse, seizes emotion and fright. The chapter written by Our Lady of Fatima is of a limpid simplicity in its greatness. It joins the one of Saint John, throws it in the actuality and makes it heard again by the Christians. Both Messages enlighten each other, to the point of letting nothing in the shade, of what concerns the great tragedy of our twentieth century".

(Abbot Georges de Nantes - Lettre à mes amis (Letter to my friends) - No 247, June 5th, 1947).

We couldn't say better. Sister Lucy herself firmly recommends to read, to study, to meditate the Apocalypse(John's Revelation). We said that, when we asked her about the content of the third Secret, she answered: "It is in the Gospel and in the Apocalypse, read them! ". We even know that, one day, she indicated the chapters VIII to XIII of the Apocalypse.

### **Our Commentary**

The Vatican has been infiltrated by the Judeo-masonry. We know that the Antichrist, the Beast of chapter 13 of the Apocalypse, is Israel. We understand, therefore, that the Vatican cannot reveal the 3rd secret which unmasks the Antichrist, the apocalyptic Beast, of whom the holy Virgin had already spoken in La Salette, France, in 1846.

In the year 2000, the Vatican revealed a pseudo message of Fatima which disfigures the authentic Message in favor of the Antichrist, the apocalyptic Beast... and in favor of the Pope John-Paul II. This is how Satan governs from the highest level of the Church, as the Virgin said.
